## Aroland First Nation Management's Responsibility for the Consolidated Financial Statements

March 31, 2020

---

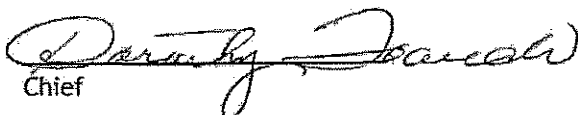

The accompanying consolidated financial statements of Aroland First Nation are the responsibility of management and have been approved by the Chief and Council.

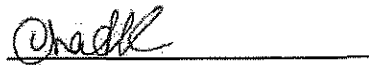

These consolidated financial statements have been prepared by management in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board. Management is responsible for such internal control as management determines is necessary to enable the preparation of financial statements that are free from material misstatement, whether due to fraud or error.

The Council is responsible for ensuring that management fulfills its responsibilities for financial reporting and internal control and is ultimately responsible for reviewing and approving the consolidated financial statements.

The external auditors, BDO Canada LLP, conduct an audit, in accordance with Canadian generally accepted auditing standards, and express their opinion on the consolidated financial statements. BDO Canada LLP have access to financial management of Aroland First Nation and meet when required.

On behalf of Aroland First Nation:

  
Chief

  
Councillor

---

## Independent Auditor's Report

---

### To the Members of Aroland First Nation

#### Qualified Opinion

We have audited the consolidated financial statements of Aroland First Nation, and its subsidiaries (the First Nation), which comprise the consolidated statement of financial position as at March 31, 2020, and the consolidated statements of operations and accumulated surplus, changes in net debt and the cash flows for the year then ended, and notes to the consolidated financial statements, including a summary of significant accounting policies.

In our opinion, except for the possible effects of the matters discussed in the Basis for Qualified Opinion paragraph, the accompanying consolidated financial statements present fairly, in all material respects, the consolidated financial position of the First Nation as at March 31, 2020, and the results of its operations, changes in net financial assets and of cash flows for the year then ended in accordance with Canadian public sector accounting standards.

#### Basis for Qualified Opinion

The First Nation was unable to obtain information about investments in various entities. Accordingly, verification of investments held by the First Nation was limited to the amounts recorded in the records of the First Nation. Therefore, we were not able to determine whether any adjustments might be necessary to income from investments, annual surplus or deficit and cash flows from investing transactions for the years ended March 31, 2020 and 2019, financial assets as at March 31, 2020 and 2019 and accumulated surplus as at April 1 and March 31 for both the 2020 and 2019 years.

Section 1200, Financial Statement Presentation, of Public Sector Accounting Board Handbook requires the disclosure of budgeted information. The First Nation has not prepared or approved consolidated budgets. As a result, we are unable to present budgeted information on the consolidated financial statements for the years ended March 31, 2020 and 2019.

Our audit opinion on the financial statements for the year ended March 31, 2019 was modified accordingly because of the possible effects of these limitation in scope.

We conducted our audit in accordance with Canadian generally accepted auditing standards. Our responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Consolidated Financial Statements section of our report. We are independent of the First Nation in accordance with the ethical requirements that are relevant to our audit of the consolidated financial statements in Canada, and we have fulfilled our other ethical responsibilities in accordance with these requirements. We believe that the audit evidence we have obtained is sufficient and appropriate to provide a basis for our qualified opinion.

---

## Independent Auditor's Report (cont'd)

---

### **Responsibilities of Management and Those Charged with Governance for the Consolidated Financial Statements**

Management is responsible for the preparation and fair presentation of the consolidated financial statements in accordance with Canadian public sector accounting standards, and for such internal control as management determines is necessary to enable the preparation of consolidated financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the consolidated financial statements, management is responsible for assessing the First Nation's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless management either intends to liquidate the First Nation or to cease operations, or has no realistic alternative but to do so.

Those charged with governance are responsible for overseeing the First Nation's financial reporting process.

### **Auditor's Responsibilities for the Audit of the Consolidated Financial Statements**

Our objectives are to obtain reasonable assurance about whether the consolidated financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes our opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with Canadian generally accepted auditing standards will always detect a material misstatement when it exists.

Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these consolidated financial statements.

As part of an audit in accordance with Canadian generally accepted auditing standards, we exercise professional judgment and maintain professional skepticism throughout the audit. We also:

- Identify and assess the risks of material misstatement of the consolidated financial statements, whether due to fraud or error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient and appropriate to provide a basis for our opinion. The risk of not detecting a material misstatement resulting from fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions, misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the First Nation's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by management.

---

## Independent Auditor's Report (cont'd)

---

### Auditor's Responsibilities for the Audit of the Consolidated Financial Statements (cont'd)

- Conclude on the appropriateness of management's use of the going concern basis of accounting and, based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the First Nation's ability to continue as a going concern. If we conclude that a material uncertainty exists, we are required to draw attention in our auditor's report to the related disclosures in the consolidated financial statements or, if such disclosures are inadequate, to modify our opinion. Our conclusions are based on the audit evidence obtained up to the date of our auditor's report. However, future events or conditions may cause the First Nation to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the consolidated financial statements, including the disclosures, and whether the consolidated financial statements represent the underlying transactions and events in a manner that achieves fair presentation.
- Obtain sufficient appropriate audit evidence regarding the financial information of the entities or business activities within the First Nation to express an opinion on the consolidated financial statements. We are responsible for the direction, supervision and performance of the group audit. We remain solely responsible for our audit opinion.

We communicate with those charged with governance regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that we identify during our audit.

The accompanying notes are an integral part of these consolidated financial statements.

## Aroland First Nation

### Notes to Consolidated Financial Statements

March 31, 2020

#### 1. Significant Accounting Policies

<b>Basis of Accounting</b>	These consolidated financial statements have been prepared in accordance with Canadian public sector accounting standards prescribed for governments as recommended by the Public Sector Accounting Board.
<b>Reporting Entity</b>	The Aroland First Nation reporting entity includes the Aroland First Nation government and all related entities that are controlled by the First Nation.
<b>Basis of Consolidation</b>	<p>All controlled entities are fully consolidated on a line-by-line basis except for commercial enterprises which meet the definition of a government business enterprise, which are included in the consolidated financial statements on a modified equity basis. Inter-organizational balances and transactions are eliminated upon consolidation.</p> <p>Under the modified equity method of accounting, only Aroland First Nation's investment in the government business enterprise and the First Nation's portion of the enterprise's net income and other changes in equity are recorded. No adjustment is made for accounting policies of the enterprise that are different from those of Aroland First Nation and inter-organizational balances and transactions are not eliminated.</p> <p>Organizations consolidated in Aroland First Nation's financial statements include:</p> <ul style="list-style-type: none"> <li>• 1648973 Ontario Inc. (inactive)</li> <li>• 1670719 Ontario Inc. (inactive)</li> <li>• 1796651 Ontario Inc. (inactive)</li> <li>• Aroland Education Authority (inactive)</li> <li>• Aroland Industrial LP (inactive)</li> </ul>
<b>Portfolio Investments</b>	Portfolio investments are recorded at cost. Portfolio investments are written down where there has been a loss in value that is other than a temporary decline.
<b>Asset Classification</b>	Assets are classified as either financial or non-financial. Financial assets are assets that could be used to discharge existing liabilities or finance future operations. Non-financial assets are acquired, constructed or developed assets that do not provide resources to discharge existing operations and are not for resale. Non-financial assets include tangible capital assets and prepaid expenses.

## Aroland First Nation Notes to Consolidated Financial Statements

March 31, 2020

### 1. Significant Accounting Policies (cont'd)

#### Cash and Cash Equivalents

Cash and cash equivalents consist of cash on hand, bank balances and term deposits having a maturity of three months or less, and bank overdrafts.

#### Tangible Capital Assets

Tangible capital assets are recorded at cost less accumulated amortization. Cost includes amounts that are directly related to the acquisition, design, construction, development, improvement or betterment of the assets. Cost includes overhead directly attributable to construction and development, as well as interest costs that are directly attributable to the acquisition or construction of the asset.

Amortization is provided for on a declining balance basis as follows:

Automotive and vehicles	- 30%
Buildings and housing	- 4%
Computer equipment	- 45-50%
General and heavy equipment	- 20%
Infrastructure, roads and fire protection	- 4%
Sewer system equipment	- 4%
Small tools	- 100%

Tangible capital assets are written down when conditions indicate that they no longer contribute to Aroland First Nation's ability to provide goods and services, or when the value of future economic benefits associated with the tangible capital assets are less than their net book value.

The net write-downs are accounted for as expenses in the consolidated statement of operations.

Contributed capital assets are recorded into revenues at their fair value on the date of donation, except in circumstances where fair value cannot be reasonably determined, in which case they are recognized at nominal value. Transfers of capital assets from related parties are recorded at carrying value.

Certain assets which have historical or cultural value, including works of art, historical documents and historical and cultural artifacts, are not recognized as tangible capital assets.

Assets under construction are not amortized until the asset is available to be put into service.

## Aroland First Nation

### Notes to Consolidated Financial Statements

March 31, 2020

#### 1. Significant Accounting Policies (cont'd)

##### Leased Tangible Capital Assets

A lease that transfers substantially all of the benefits and risks of ownership to the lessee is recorded as a tangible capital asset and the incurrence of a lease obligation. At inception, a tangible capital asset and an obligation are recorded at an amount equal to the lesser of the present value of the minimum lease payments, excluding executory costs, and the leased property's fair value at the beginning of the lease. The discount rate used to determine the present value of the lease payments is the lower of the First Nation's rate for incremental borrowing or the interest rate implicit in the lease. Leased tangible capital assets are amortized on a declining balance basis over the economic life of the leased property as follows:

Automotive and vehicles	- 30%
-------------------------	-------

##### Revenue Recognition

Revenues are recognized in the period in which the transactions or events occurred that gave rise to the revenues. All revenues are recorded on an accrual basis.

Government transfers are recognized as revenues when the transfer is authorized and any eligibility criteria are met, except to the extent that transfer stipulations give rise to an obligation that meets the definition of a liability. Transfers are recognized as deferred revenue when transfer stipulations give rise to a liability. Transfer revenue is recognized in the statement of operations as the stipulation liabilities are settled.

Contributions, other than government transfers, are deferred when restrictions are placed on their use by the external contributor, and are recognized as revenue when used for the specific purpose.

Revenue related to fees or services received in advance of the fee being earned or the service is performed is deferred and recognized when the fee is earned or service performed.

##### Use of Estimates

The preparation of financial statements in accordance with Canadian public sector accounting standards requires management to make estimates and assumptions that affect the reported amounts of assets and liabilities at the date of the financial statements, and the reported amounts of revenues and expenses during the reported period. The principal estimates used in the preparation of these financial statements are the useful lives of tangible capital assets, deferred revenue and accounts payable and accrued liabilities. Actual results could differ from management's best estimates as additional information becomes available in the future.

### Notes to Consolidated Financial Statements

March 31, 2020

#### 2. Cash (cont'd)

The First Nation has available an operating line of credit of \$50,000 with the Royal Bank of Canada, incurring interest at the bank's prime lending rate plus 3.5% (5.95% per annum at year end). At March 31, 2020, the First Nation had utilized \$NIL (2019 - \$NIL) on this line of credit.

There is a bank overdraft facility available on the Ontario Works account of \$50,000 with the Royal Bank of Canada, incurring interest at the bank's prime lending rate plus 5.0% (7.45% per annum at year end). At March 31, 2020, the balance outstanding is \$NIL (2019 - \$NIL).

Both facilities are secured by a general security agreement as well as a specific security interest on certain heavy equipment owned by the First Nation.

Included in the total cash balance are externally restricted and unrestricted balances as follows:

	2020	2019
CMHC replacement reserve	\$ 128,059	\$ 97,878
Unrestricted	4,449,023	2,248,508
	<u>\$ 4,577,082</u>	<u>\$ 2,346,386</u>

## Aroland First Nation Notes to Consolidated Financial Statements

March 31, 2020

---

### 13. Comparative Figures

Certain of the comparative figures presented in the accompanying consolidated financial statements have been reclassified to conform with the current year's presentation.

---

### 14. Contingencies

In addition, in the normal course of operations, the First Nation becomes involved in legal actions. Some of these potential liabilities may become actual liabilities when one or more future events occur or fail to occur. To the extent that the future event is likely to occur, and a reasonable estimate of the loss can be made, an estimated liability is accrued and an expense recorded on the First Nation's consolidated financial statements.

Claims are currently outstanding against the First Nation. The outcome of the claims are not yet determinable, and accordingly, no provision has been made in these consolidated financial statements with respect to these matters. Any loss with respect to the claims will be recorded as an expense of the period in which the loss becomes likely and the amount is measurable.

---

### 15. Contaminated Sites Liability

PSAB 3260.08 states that a liability for contaminated sites should be recognized when all of the following criteria have been met:

- a) an environmental standard exists;
- b) contamination exceeds the environmental standard;
- c) the government is directly responsible or accepts responsibility
- d) it is expected that future economic benefits will be given up; and
- e) a reasonable estimate of the amount can be made.

As at March 31, 2020, The Band has not identified any circumstances where it is directly responsible, accepted responsibility or expects that future economic benefits will be given up to address contaminated sites. Consequently no liability has been accrued in these financial statements.

Indigenous Services Canada funding is net of current year calculated repayable amounts of \$5,865 due to unspent funding.

#### 17. Pension Plan

The First Nation has a defined contribution plan for eligible employees. The First Nation matches employee contributions of 5% of the employee's salary. As a defined contribution plan, the First Nation has no further liability or obligation for future contributions to fund future benefits to plan members. The First Nation contributed \$39,134 during the year (2019 - \$37,287).

---

## Aroland First Nation Notes to Consolidated Financial Statements

March 31, 2020

---

### 18. Impact of COVID-19

As the impacts of COVID-19 in Canada and on the global economy continue, there could be further impact on the First Nation, and its funders. Management is actively monitoring the effect on its financial condition, liquidity, operations, suppliers, industry, and workforce. Due to Covid-19, the First Nation has had to limit its service offerings, however, additional funding has been received for wages and health and safety costs.

Given the daily evolution of the COVID-19 outbreak and the global responses to curb its spread, the First Nation is not able to fully estimate the effects of the COVID-19 outbreak on its operating results, financial condition, or liquidity at this time.

March 31, 2020

---

### 19. Segmented Information

Aroland First Nation provides a range of services to its members. For management reporting purposes, operations and activities are organized and reported by Program. Programs were created for the purpose of recording specific activities to attain certain objectives in accordance with specific regulations, restrictions or limitations. The services are provided by several entities of Aroland First Nation. The activities can also be categorized into segments. The following segments have been identified and as such are separately disclosed.

#### **Administration**

Administration contains activities that are needed to run the Aroland First Nation organization.

#### **Social Services**

Social Services contains activities that provide financial support or support by other means to band members that are aimed at developing both the individual as well as the community.

#### **Health Services**

Health Services contains activities that provide medical services to band members.

#### **Education**

Education Services contains activities that provide education to band members for primary, secondary schooling and sponsorship to attend post secondary institutions.

#### **Economic Development**

Economic Development contains all the activities that provide maintenance to the community and its infrastructure including road maintenance, sewer and water, community buildings and public utilities.

#### **Capital and Operations and Maintenance Programs**

Capital and Operations and Maintenance Programs contains activities in delivering capital and community service programs.

#### **Other Programs**

Other Programs contains activities of all other programs.

For each segment separately reported, the segment revenue and expenses represent both amounts that are directly attributable to the segment and amounts that are allocated on a reasonable basis. The presentation by segment is based on the same accounting policies as described in the summary of significant accounting policies as described in Note 1. The segment results for the period are as follows:
